

The 10th International Conference on Mechanical, Automotive and Materials Engineering

BRIEF INTRODUCTION

The 10th International Conference on Mechanical, Automotive and Materials Engineering (CMAME 2023) will be held in Da Nang, Vietnam during December 20-22, 2023. The aim as well as objective of CMAME is to present the latest research and results of scientists working in the field related to Mechanical, Automotive and Materials Engineering topics.

CMAME 2023 is organized by Royal Melbourne Institute of Technology, Australia and South Asia Institute of Science and Engineering(SAISE).

Conference Committee Chairs

- † John Mo, Royal Melbourne Institute of Technology, Australia
- † Nguyen Quang Liem, Vietnam Academy of Science and Technology, Vietnam

Program Committee Chair

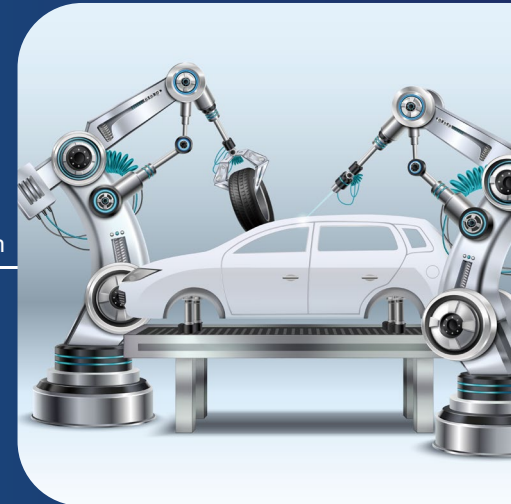

- † Xingjian Jing, City University of Hong Kong, Hong Kong

Steering Committee

- † Banh Tien Long, Ha Noi University of Science and Technology, Viet Nam

Publicity Committee

- † Yu-Liang Chen, Chung Cheng Institute of Technology, National Defense University, Taiwan

TOPICS

Topics of interest for submission include, but are not limited to:

- Mechanical, Automotive and Materials Engineering
- Aerodynamics
- Aerospace Systems and Technology
- Alternative energy
- Applied Mechanics and Design
- Biomechanics
- Composite Materials
- Computational Fluid Dynamics
- Computer aided engineering design
- Condition Monitoring
- Energy and Thermofluids
- Energy conversion system
- Green Manufacturing
- Heat exchangers
- Heat Transfer
- Industrial Engineering
- Machinery Dynamics
- Materials Science
- Micro- and Nano Manufacturing
- Nano-Technology
- Noise and Vibration analysis
- Refrigeration and air conditioning
- Renewable and Non-Renewable Energies
- Reverse Engineering

PUBLICATION

PROCEEDINGS

The accepted papers will be published in Lecture Notes in Mechanical Engineering as a proceedings book volume, and will be indexed by Ei Compendex and Scopus.

JOURNAL

Selected papers from the conference will be invited to submit an enhanced version to the International Journal of Agile Systems and Management (IJASM), CiteScore:3.3 (2021). It will be indexed by Scopus, Google Scholar, Info Trac and Inspec.

SUBMISSION GUIDELINE

-Please log in the iconf. Submission System; (.pdf only) to submit your full paper and abstract.
